MR. ROBERT W. PETERSON

COACH OF 1963 NORTH DAKOTA

STATE BASKETBALL CHAMPIONS

Coach Bob has been at W.H.S. for six years. During this time he has taken four teams to the state tournaments and brought the second state champion title to Williston in fifty years.

Winning the game has always been important to Coach Bob, but far more important has been the sportsmanship, manly conduct, and physical development of all the boys who have been privileged to serve on his teams.

Mr. Peterson graduated from Williston High School. He received his Bachelors Degree from Concordia College and his Masters from the University of North Dakota. Coach Bob has taught for ten years. He is married and has a fine family of three boys and one girl.

It is with great appreciation and admiration for the work that you have done, and the examples that you have set for the students of W.H.S., that we dedicate this 1963 Coyote to you, Coach Bob!

SENIORS OF '63

SENIOR OFFICERS: Myron Oyloe, president; Pat Schmaus, vice-president; Peggy Opperud, secretary; and Vikki Stong, treasurer.

Senior Class History

The bold green freshmen led the class of 1963 into their freshman year with Peggy Opperud as president. Assisting her were Dennis Olson, vice-president; Bonnie Tweden, secretary; and Myron Oyloe, treasurer. Freshman Frolic was the main event that year.

Miss Moe led us on into our Sophomore Class. Andra Lebsock was elected president, with Dennis Olson, vice-president; Phil Jackson, secretary; and Peggy Opperud, treasurer; completing the slate of officers. This year led us into a three-way tie for first place in Coyote Capers. Topping the year was the every popular Sophomore Stag.

Entering the realm of upperclassmen the class elected Myron Oyloe, Merriel Storseth, Penny Price, and Harry Brown as president, vice-president, secretary, and treasurer respectively. The Junior Class play, "The Very Opposite Sex," was a huge success. Our chief project was selling candy bars to help finance the Junior-Senior Banquet and Prom. The theme this year was "In a Rose Garden." A second place Homecoming float and first place Capers rounded out our Junior year.

The glorious years passed and the final year as seniors was attained. Heading the class in their final year were Myron Oyloe, president; Pat Schmaus, vice-president; Peggy Opperud, secretary; and Vikki Stong, treasurer. "Raid the Saints" captured the first place trophy to commence the most successful Homecoming. "Bachelor Father," the senior class play, was a big hit. Topping the highest ever was going to State Tournaments and placing first in basketball. The years have slipped by and the class left WHS with glorious memories. Now it is all in the past but the class of "63" will always remain in the halls of WHS.

SENIOR ADVISORS: FIRST ROW: Mrs. Rilla Ertesvaag, Miss Nelson. SECOND ROW: Mr. Schweitzer, Mr. Bob Peterson, Mr. Degele.

SENIORS LEAVE WHS

SENIOR CLASS COUNCIL: FIRST ROW: Marge Mendenhall, Sandi Viall, Vikki Stong. SECOND ROW: Peggy Opperud, Marilyn Hanson, Myron Oyloe, John Anderson.

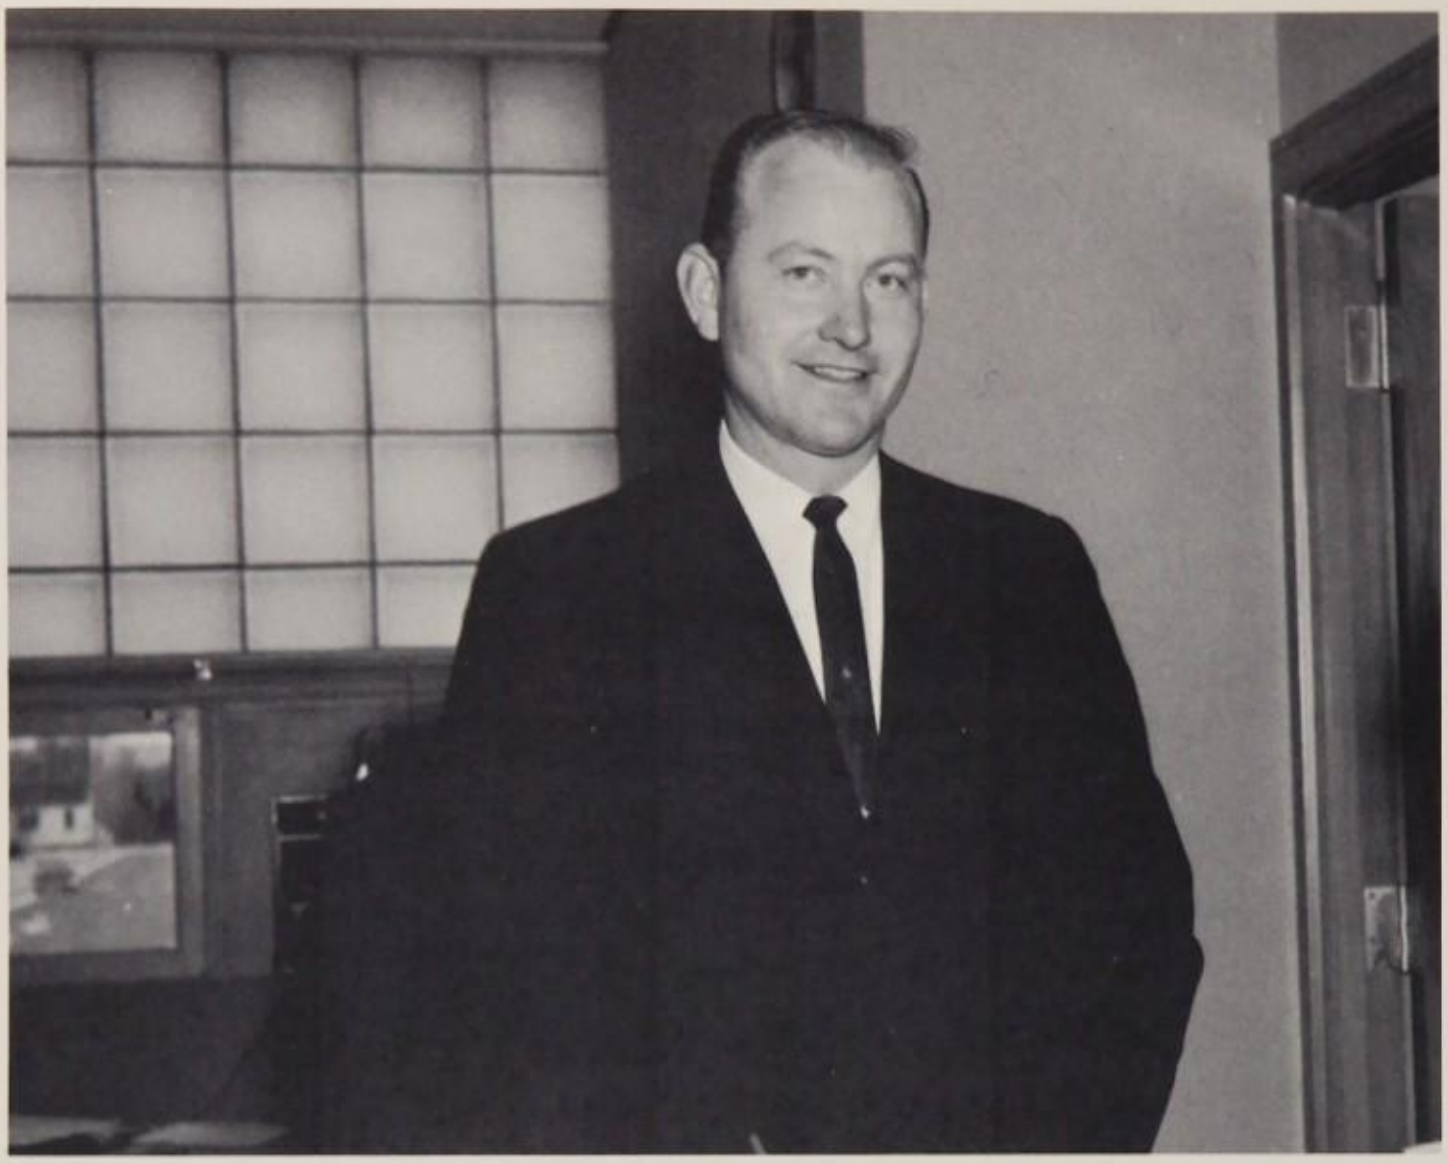
FACULTY



OUR PRINCIPAL

In his Cooper Union address, Lincoln had this to say, "If we but knew where we now stand and whither we are tending, we should know better what to do." Certainly the same truth is applicable today.

However, I feel there are certain basic needs of every individual who plans to cope as effectively as possible with the future. It is my belief that an individual needs to be a free man, a convertible worker, a continuing student, a creative spirit, and a Believer in a Power greater than he.

The free man must of course be assured of his basic civil rights, but in addition, his mind must be free--free externally from demands for the orthodox and denial of access of information, free internally from limitations imposed by ignorance and inadequate thought process.

Vocationally the individual must be convertible; that is, his basic education should be of such broad applicability that he can enter anyone of a variety of occupations and be in a position to profit from retraining or additional training if the need arises.

The individual must be a continuing student, equipped to learn on his own and aware of the necessity of doing so. As Margaret Mead has said, "In today's world, no one can complete an education."

The individual must be a creative spirit because this is the essence of being human and of being free. It is what man is able to create that makes a culture, and it is in order to create that he needs to be free.

Finally, he must believe in a Higher Power for no man can be self-sufficient for all his needs.

GOVERNMENT PARTICIPATION

The purpose of Boys' and Girls' State is to provide citizenship training for North Dakota Girls and Boys of High School age; to afford them the opportunity to live together as self-governing citizens, and to become familiar with the duties, privileges, rights and responsibilities of American Citizenship, in order that they may understand and participate in the functioning of our Government.

The girls met in Grand Forks from June 4-11, and the boys at Fargo from June 11-18.

COYOTEEN COUNCIL

This is the energetic council that plans the many dances held at canteen. Some of the special dances they plan are the Turkey Hop, the Christmas dance, and the Sweetheart Ball. Bake sales and a car wash were held to raise money for the new juke box. Another special activity is the annual spring clean up of the city where the members do odd jobs around the city to raise money for the canteen.
